

Map to Adobe Hearing Center

Adobe Hearing Center is located within the Country Club Professional Plaza at the North East corner of Country Club and Seneca. There is a large parking lot north of the buildings. You can get to our office by two routes:

- Park as far east as possible in the parking lot and walk along the sidewalk that is on the east side of the buildings. Adobe Hearing Center is the white building just past Dr. Koussa's office.
- You may also get to Adobe Hearing Center by using the entrance between the Physiatrists' office and the bright orange, dentists' office. Take the sidewalk between these offices. When you get to the end, turn left (east) and Adobe Hearing Center is a few feet away (the white office on your right).
